

UNITED STATES NAVY

# MEDICAL NEWS LETTER

Rear Admiral Bartholomew W. Hogan MC USN - Surgeon General  
Captain Donald R. Childs MC USN - Editor

## INDEX

Volume 34, Numbers 1 - 12  
3 July through 18 December 1959

- ABC WARFARE DEFENSE, course in, 9:18  
 Abdominal pain, systemic causes, Part I, 5:3; Part II, 6:2  
 Accident reports, OpNav Form 3750-8 (Rev 5-58), 8:39  
 AcDuTra FY 1960  
     commanding officers, seminars for, 1:27  
     disease vector control, 1:27  
     disease vector and economic pest prevention and control, 1:27  
     diving medicine, 2:26  
     Hospital Corps, 2:26  
     Hospital Corps Class "A" Schools, 2:26  
     life sciences, seminar in, 2:26  
     medical military, 1:27  
     MSTS ships, 1:27  
     national resources conferences, 2:26  
     pay for, acceleration of, 5:29  
     research methods, seminar in, 2:26  
     ship activation (Res. Fleet), 2:26  
     submarine and diving medicine, research seminar, 2:26  
     submarine medicine, on-the-job, 2:26  
 A. D. A., Navy exhibits at session of, 6:21  
 Address to graduating interns, 2:20  
 Air turbines (dental), operation of, 10:23  
 Alcoholism, medical profession responsibility, 8:15  
 Amenorrhea, sign of chronic liver disease, 5:15  
 American Board Certifications  
     active (Regular and Reserve), 4:22  
     inactive Reserve, 8:30  
 American Board of Obst. & Gynec., examination, Part I, 5:22, Part II, 11:17  
 American College of Surgeons, NMRI participating with, 8:17  
 American Phar. Assn., 2:28  
 American Society of Clinical Pathologists, NMS participating with, 8:18  
 Amniotic fluid, embolism, 2:16  
 Anemia  
     aplastic, caused by industrial & therapeutic chemicals, 7:32  
     of rheumatoid arthritis, 7:12  
     sickle cell, roentgen changes in, 8:8  
 Anniversary of Dental Rating, 12:24  
 Anorganic bone, heterogeneous, host response to, 9:20  
 Antacids, biochemical and economic considerations, 2:10  
 Antibacterials, misuse of in inguinal herniorrhaphy, 1:10  
 Antibiotic, griseofulvin, use of in ringworm, 7:13  
 Antibiotics, in oral surgery, use of, 2:24  
 Antigen, multiple, for immunization, 1:5  
 Aortic homograft, abdominal replacement, results in, 8:6  
 Appendicitis, acute, conservative treatment of, 9:11  
 Arteries  
     carotid, occlusive disease of, 4:12  
     renal, occlusive disease of, surgery for, 11:6  
 Arthritis  
     articular manifestations of chronic ulcerative colitis, 7:7  
     psoriatic, 5:13  
     rheumatoid  
         anemia of, 7:12  
         problems, 1:9  
 Assn. of Military Surgeons  
     convention, 1959, 8:31  
     NC, participation by, 8:19  
     officers & awards, 11:16  
 Asthma, trigger mechanisms in, 1:17  
 Atherosclerosis, diet in Orient, relation to, 9:3  
 Aviation medicine  
     accident reports, OpNav Form 3550-8 (Rev 5-58), 8:39  
     cardiac stress, two-step test, use of, 8:31  
     flight fatigue, 12:32  
     full pressure suit, indoctrination in, 4:33  
     parachute descent and landing procedures, 8:36  
     physical disqualification of candidates, 8:38  
     physical qualifications for assignment to NATTU Schools, 8:38  
     pressure changes in middle ear after flight, 8:34  
 BARR, NORMAN L., CAPT MC USN, authority on space medicine, retirement of, 7:15  
 Bats, importance and control of, 1:33  
 Bell's palsy, treatment of, 11:9  
 Bites, animal, prevention in man of rabies from, 4:9  
 Bladder, rehabilitation in spinal cord injuries, 12:10  
 Blood  
     hypercholesterolemia, treatment for, 4:11  
     leukemia, acute, survival in, 4:10  
     pressure, frequency distribution, ages 20-106, 3:4  
     transfusion, cadaver blood, use of, 11:10  
 Bone  
     anorganic  
         heterogeneous, host response to, 9:20  
         implants, response of, 7:20  
     disease, Paget's current concepts, 6:10  
     fracture, stress, calcaneal, 11:7  
     growth, stimulation by internal heating, 4:18  
 Bone marrow, myelofibrosis, roentgenographic findings in, 6:6  
 Breast cancer, early treatment, significance of, 5:16  
 Burn, therapy in, 11:3  
 CALCIUM hypochlorite, safe handling of, 6:39  
 Cancer  
     breast, early treatment, significance of, 5:16  
     colon, associated with diverticula, 10:11  
     extremities, perfusion techniques, treatment by, 9:9  
     gastric, radiologic screening for, 2:14  
     gastrointestinal tract, surgery for, 2:2  
     melanoma, malignant, results of treatment, 6:8  
     prostate, 9:7  
     uterus, 12:13  
     vaccine, effect of, 5:17  
 Carcinoma  
     colon, with diverticula, 10:11  
     prostate, 9:7  
 Cardiac arrest, articles & films on, 4:37  
 Cataracts, cyclotron, 1:3  
 Chemicals, industrial and therapeutic, cause of aplastic anemia, 7:32  
 Chemotherapy of  
     leukemia, influence on survival, 4:10  
     tumors, approach to, 7:9  
 Cholecystitis, acute, conservative treatment for, 2:8  
 Civil defense, role of dentists in, 9:20  
 Colitis, ulcerative, articular manifestations of, 7:7  
 Collateral circulation, venous, demonstrated by intraosseous venography, 7:14

NOTE: Figures indicate Number and Page in Volume 34. For example, ABC WARFARE DEFENSE, course in, 9:18 indicates that this item may be found in Vol. 34, No. 9, Page 18.

## Colon

- carcinoma and diverticula of, 10:11
- irritable, syndrome of, 10:7
- Commendation, Res. companies (dental), 10:25
- Commissurotomy, postmitral syndrome, 3:17
- Cushing's syndrome, 5:10

DEEP-FREEZE - 61" - volunteers invited for, 8:19

Dental care FY 1959, 5:28

## Dental caries

- elimination of, reducing lactobacilli count, 12:25
- prevention of by use of phosphorus, 5:27
- Dental extraction, pulmonary infarction following, 1:26
- Dental research, USN - New Zealand, 11:22
- Dental Service Report (DD-477), errors in, 4:30
- Dental standards for submarine personnel, 8:25
- Dental technician training, 10:24
- Dentistry in the Modern Age, " exhibit, Dental Congress, 9:20
- Dentists, in civil defense, role of, 9:20
- Diabetes mellitus, complications, x-ray findings in, 12:7
- Diarrhea of travelers, 9:38
- Diet in Orient, relation to atherosclerosis, 9:3

## Directives

## BuMed Instructions

- 1120.15D, permanent and temporary appointment in MSC, Regular Navy, 7:19
- 1500.4B, professional examinations and memberships in civilian societies for medical and dental officers, reporting of, 7:19
- 1520.10A, residency training, application for, 10:18
- 1520.13, residency training, reporting of, 10:18
- 3500.1, training in first-aid and self-aid, 10:18
- 5100.1B, use of flammable anesthetics, 12:19
- 5400.1H, tables of organization, Res. FY 1960, 6:25, 7:23, 8:27
- 5512.2, name-plate identification for Med. Dept. personnel, wearing of, 8:20
- 6230.10, vaccinia immune globulin, availability of, 6:16
- 6320.4F, hospitalization and subsistence rates, 1:24
- 6320.5G, Sup 1, open-heart surgery utilizing extra-corporeal circulation, 2:23
- 6320.22A, dependents' care outside U.S. and Puerto Rico, 12:19
- 6700.1B, medical and dental equipment; maintenance and repair program, 8:20
- 6700.5B, medical and dental spaces in vessels of Res. fleets, 6:24

## BuMed Notice

- 6230, influenza, vaccination program, 4:28

## BuPers Instruction

- 5400.1H, tables of organization, Res., 7:23

Discipline, nature of, 12:25

Disease vector control courses, 9:30

## Diverticulum

- colon, multiple, with cancer, 10:11
- Meckel's, in children's hospital, 6:5
- Driving hazards after sundown, 11:37
- Drugs, new, basis for use, 4:6
- Dumping syndrome, physiology of, 4:15
- Dupuytren's contracture, surgical treatment for, 3:12

EARPLUGS, use of in noisy environment, 10:38

Ears, pressure changes in middle ear after flight, 8:34

EDTA, in lead absorption, 5:32

## Embolism

- amniotic fluid, 2:16
- thromboembolism, 8:2
- Emphysema, concurrence with peptic ulcer, 3:8

Encephalitis, eastern equine, 9:26

Endocrines, relation to peptic ulcer, 11:12

Eosinophilic peritonitis, 8:4

## Epidemiology

- bats, importance and control of, 1:30
- communicable diseases, worldwide, WHO report, 1958, 3:26
- encephalitis, eastern equine, 9:24
- influenza, vaccination for, 1959-1960, 9:27
- paratyphoid fever, outbreaks of, in Calif., 1957-1958, 6:38
- rabies, in man, prevention of, 4:9
- rickettsioses in U.S., 10:2
- schistosomiasis, in Puerto Rico, control of, 9:28
- typhoid fever, carrier located by sewage sampling, 1:30
- Epinephrine, effect on thyroid, 8:14
- Examinations, physical, value of periodic, 2:38
- Exhibit, "Dentistry in the Modern Age," Dental Congress, 9:20
- Exhibits, USN, at A.D.A. session, 6:21
- Eyeglass frames, S-7 style, 4:21
- Eyes, cataracts, cyclotron, 1:3

FACINGS and backings (dental), procurement of, 10:23

Federation Dentaire Internationale, members' visit NDS, 9:20

Film award to "Color Vision Deficiencies," 4:18

Film, "The Navy Dental Corps," 8:26

Fish, venomous stings of, 1:30

Flask, denture, 12:27

Flight fatigue, 12:32

Fluoridation of drinking water

distribution in U.S., 4:29

statement by Sec., HEW, 3:22

Folic acid, use of in medical practice, 6:12

## Food

- milk, dried, sanitation of, 1:39
- vending machines for, sanitation of, 10:15
- Food establishment sanitation
- essentials of, 1:35, 6:34
- in refrigeration, 9:33
- Fractures, stress, of calcaneus, 11:7
- Full pressure suit, indoctrination in, 4:33

GAGGING patients, management of (dental), 4:29

Gallbladder, infection, acute, conservative treatment of, 2:8

Gastric suction, postoperative, 12:12

## Gastrointestinal tract

- dumping syndrome, physiology of, 4:15
- peptic ulcer and pulmonary emphysema, 3:8
- surgery, for cancer of, 2:2
- Gonorrhea, resistance to penicillin, 6:32
- Griseofulvin, use of in ringworm, 7:13

HAMILTON, ALICE, M.D., pioneer of industrial medicine, 2:29

"Hard Work Will Never Hurt Morale," 3:19

## Heart

- cardiac stress, two-step test in aviation medicine, 8:31
- commissurotomy, postmitral syndrome, 3:17
- coronary disease, mortality in occupational analysis, 5:35
- fibrosis, myocardial, 12:5
- valvular lesions, mitral, criteria for operability, 10:5
- Heart failure
- changing views in, 12:3
- role of kidney in, 8:12
- Hemiplegia, rehabilitation in, 4:13
- Hernia, inguinal, antibacterials in repair of, 1:10
- Histoplasmosis, pulmonary, 8:9

History of Medical Department, USN, 4:3  
 Historical Fund of the Navy Medical Department, 1:2, 3:2, 5:2, 7:2, 9:2, 11:2  
 Homograft, aortic, 8:6  
 Hospital sanitation, 11:33  
 Hypercholesterolemia, treatment for, 4:11  
 Hyperthyroidism, diagnostic test for, 8:14  
 Hypertension  
     arterial  
         experimental, salt and renal mass in, 5:18  
         surgery for, in occlusive renal artery disease, 11:6  
 Hyperthyroidism, treatment with radioiodine, 12:6  
  
 ID CARDS, new, for inactive Res., 4:32  
 Ileus, procaine in, 8:5  
 Immunity and properdin, 10:10  
 Immunization  
     military, film release, 12:18  
     multiple antigen for:  
         diphtheria  
         pertussis  
         poliomyelitis  
         tetanus, 1:5  
     poliomyelitis, USPHS schedule for, 2:18  
     tetanus, 11:31  
     trachoma, vaccine developed at NAMRU-2, 12:15  
 Implants, anorganic bone, response of, 7:20  
 Industrial Environment Manual - Evaluation and Control (PHS Pub. 614), 2:39  
 Industrial medicine, Dr. Alice Hamilton, pioneer in, 2:29  
 Infarct, lung, after dental extraction, 1:26  
 Influenza, vaccination for, 1959-1960, 9:27  
 In Memoriam, 4:23, 8:17  
 International College of Surgeons, RADM B. W. Hogan, Honorary Fellow, 8:18  
 Intestinal obstruction, procaine in, 8:5  
 Intravenous nutrition, new concepts, 3:10  
 Intraosseous venography, in portal hypertension, 7:14  
  
**JOINT DISEASE**  
     arthritis  
         psoriatic, 5:13  
         rheumatoid  
             anemia of, 7:12  
             problems in, 1:19  
     articular manifestations of chronic ulcerative colitis, 7:7  
  
**KIDNEYS**  
     in congestive heart failure, role of, 8:12  
     renal mass and salt in experimental hypertension, 5:18  
     surgery for hypertension, in occlusive renal artery disease, 11:6  
     tubular necrosis, acute, 7:3  
  
**LACTOBACILLI** count reduction, after caries elimination, 12:25  
 Lead absorption, EDTA therapy in, 5:32  
 Leadership  
     responsibility of, 11:24  
     training for, 10:21  
 Lenic acid, in treatment of hypercholesterolemia, 4:11  
 Leptospirosis, clinical characteristics of, 7:7  
 Letter, from  
     Chief, USN Mission to Haiti to Surgeon General, 1:20  
     Commandant, USMC, 117th anniv., BuMed & Surg., 6:17  
     Commandant, USMC, 61st anniv., Hospital Corps, 1:20  
     Commandant, USMC, 47th anniv., Navy Dental Corps, 6:22  
     Leisse, R., Ens 1915 USNR, NROTC cruise, 7:26

Letter, from  
     Medical officer (Res), 4:20  
     RADM C. W. Schantz, 47th anniv., Navy Dental Corps, 7:20  
     The Surgeon General, Finnish Defense Forces, to the Surgeon General USN, 12:17  
     The Surgeon General USA, 117th anniv., BuMed & Surg., 6:17  
     The Surgeon General, 61st anniv., HC, 1:19  
     The Surgeon General, 12th anniv., MSC, 2:40  
     The Surgeon General, 47th anniv., Navy Dental Corps, 3:21  
 Leukemia, acute, survival in, 4:10  
 Liver  
     chronic disease of, manifested by amenorrhea, 5:15  
     function, in surgical conditions, value of, 1:14  
 Low back pain  
     conservative management, 10:33  
     diagnosis and treatment, 10:29  
     prevention of, 10:31  
 Lungs  
     function, in surgical patients, 2:6  
     histoplasmosis, course of, 8:9  
     infarct, after dental extraction, 1:26  
     pulmonary emphysema and peptic ulcer, concurrence of, 3:8  
     thromboembolism, clinicopathologic correlation in, 8:2  
     virus diseases of (WHO report), 6:28  
  
 "MAKING SENSE," correct use of words, 11:13  
 Melanoma, malignant, 6:8  
 Message from the Surgeon General  
     117th anniv., Med. Dept., 4:1  
     Res. officer's indoctrination, 8:40  
 Microwaves (radar) exposure, medical considerations of, 7:35  
 Middle ear pressure, changes after flight, 8:34  
 Military pediatrics, section, Am. Acad. Pediat., 11:18  
 Milk, dried, sanitation of, 1:39  
 Mitral valve lesions, criteria for operability of, 10:5  
 Motor vehicle  
     accidents, Navy personnel in, 3:3  
     safety, rules for turnpike driving, 9:37  
 Myasthenia gravis, treatment of, 1:11  
 Myelofibrosis, roentgenographic findings in, 6:6  
 Myocardial fibrosis, diffuse, 12:5  
  
 NATTU Schools, physical qualifications for, 8:38  
 Naval Reserve terminology, 10:27, 11:28  
 Navy Doctor, The, career of, 4:38  
 Navy Mutual Aid, terminal dividend increase, 12:16  
 Nerves, facial, Bell's palsy, 11:9  
 New Zealand, joint research with USN (dental), 11:22  
 Noise, use of earplugs, 10:38  
 Nutrition, intravenous, 3:10  
  
**OCCUPATIONAL HEALTH**, health officer, local, role of, 5:37  
**Occupational medicine**  
     coronary disease, mortality in, 5:35  
     industrial chemicals, cause of aplastic anemia, 7:32  
     lead absorption, EDTA therapy in, 5:32  
     low-back pain  
         conservative management, 10:33  
         diagnosis & treatment, 10:29  
         prevention of, 10:31  
     ozone, exposure to, 2:36  
     radiation, industrial medical problem, 7:29  
     respiratory disease, control of, 11:28  
     solvents, organic, safety in use of, 2:37  
     tetra-ethyl lead poisoning, 5:30

- Occupational medicine (continued)  
 threshold limit values, 10:36  
 ventilation, industrial, 2:30  
 welding, hygiene of, in USN shipyards, 2:33
- Oral surgery  
 antibiotics in, 2:24  
 tranquilizing drugs in, 6:21
- Orthopedic seminar, 8:17
- Ozone, exposure to, 2:36
- PAGET'S disease, current concept, 6:10
- Parachute descent and landing procedures, 8:36
- Paralysis, facial (Bell's palsy), 11:9
- Paratyphoid fever, outbreaks of in Calif., 6:38
- Penicillin, resistance of gonococci to, 6:32
- Peptic ulcer  
 concurrence with pulmonary emphysema, 3:8  
 gastric cooling, in management of, 9:12  
 relation of endocrines to, 11:12  
 treatment, antacids, 2:10
- Perfusion techniques, cancer of extremities, treatment of, 9:9
- Pericarditis, management of, 9:5
- Periosteal elevator, standardized, (dental), 7:22
- Peritonitis, eosinophilic, 8:4
- Personnel news (Dental Corps), 8:26, 9:23
- Pests and pesticides, spiders, control of, 1:31
- Philippine Armed Forces Dental Service, 5th anniv., 6:22
- Physical  
 disqualification of flight students reporting, 8:38  
 examinations, flight, 12:38
- Plastic bags, hazard to children, 1:29
- Poison control centers' directory, 5:40
- Poisoning  
 fish stings, venomous, 1:3-  
 lead, EDTA therapy in, 5:32  
 spider, 1:31  
 tetraethyl lead, occupational, 5:30
- Poliomyelitis immunization  
 multiple antigen for, 1:5  
 USPHS schedule for, 2:18
- Portal hypertension, intraosseous venography in, 7:14
- "Preventive Medicine Laboratory Methods," discontinued, 11:37
- Procaine hydrochloride in intestinal obstruction and ileus, 8:5
- Professional meetings  
 Med. Dept., participation in, 8:17  
 Dental Corps, participation in, 12:28
- Promotion  
 point credits, criteria for earning (Res), 12:29  
 policy, revision of (Res), 4:31
- Properdin and immunity, 10:10
- Prostate, carcinoma of, 9:7
- Public health, training in civilian institutions, 11:18
- Publications available to Reservists, 11:27
- Pulmonary embolism, clinicopathologic correlation in, 8:2
- Pulp capping (dental), technique for, 8:24
- QUALIFICATIONS  
 physical, for assignment to NATTU School, 8:38  
 questionnaire, revision of (Res), 9:24
- RABIES, in man, prevention of, 4:9
- Radar, exposure to, medical considerations of, 7:35
- Radiation  
 cyclotron, cataracts from, 1:3  
 industrial medical problem, 7:29
- Radiation (continued)  
 microwaves, exposure to, 7:35
- Radiation exposure, evaluation building, NNMC, 9:16
- Radioactive waste materials, 10:38
- Radioiodine, treatment of hyperthyroidism, 12:6
- Radiology  
 intraosseous venography, in portal hypertension, 7:14  
 roentgenographic findings in  
 diabetes mellitus, complications, 12:7  
 myelofibrosis, 6:6  
 sickle cell anemia, 8:8  
 screening, for gastric carcinoma, 2:14
- Rehabilitation  
 bladder, in spinal cord injuries, 12:10  
 in strokes, prognosis for, 4:13
- Research  
 dental, USN - New Zealand, 11:22  
 experience in, value to practicing physician, 9:14  
 medical, value to physician, 10:13  
 reports, 3:20, 4:23, 8:21, 12:19
- Reserve  
 ACduTra, FY 1960  
 CO's, seminars for, 1:27  
 disease vector control, 1:27  
 diving medicine, 1:27  
 field medicine, 2:26  
 Hospital Corps, 2:26  
 Hospital Corps Class "A" Schools, 2:26  
 life sciences, seminar, 2:26  
 medical military, 1:27

 national resources conferences, 2:26  
 pay for, acceleration of, 5:29  
 research methods, seminar in, 2:26  
 ship activation (Res. Fleet), 2:26  
 submarine and diving medicine, research seminar, 2:26  
 submarine medicine, on-the-job, 2:26  
 active duty, policy change for enlistees, 6:25  
 dental companies, curriculum for training, 2:25  
 promotion point credits, 12:32  
 qualifications questionnaire, revised, 9:24  
 retention in active status, 5:28  
 retired, transfer to without pay, 9:24  
 seminar for CO's (dental), 11:26  
 tables of organization, FY 1960, BuPers Inst. 5400.1H, 6:25, 7:23, 8:27
- Reserve Medal, Armed Forces, eligibility for, 3:25
- Respiratory disease, in industry, control of, 11:28
- Rheumatic fever, streptococcal infections in, 5:12
- Rickettsial diseases in U.S., status of, 10:2
- Ringworm, griseofulvin, use in, 7:13
- SAFETY  
 calcium hypochlorite, handling of, 6:39  
 driving, hazards after sundown, 11:37  
 driving, on turnpike, rules for, 9:37  
 fish stings, venomous, 1:30  
 motor vehicle accidents, Navy personnel in, 3:3  
 ozone, exposure to, hazards of, 2:36  
 plastic bags, hazard to children, 1:29  
 solvents, organic, use of, 2:37  
 spiders, control of, 1:31  
 ventilation, industrial, 2:30  
 welding, in USN shipyards, hygiene of, 2:33
- Salmonella blockley, outbreak in Calif., 6:38

# Sanitation

- food establishment
  - essentials of, 1:35, 6:34
  - refrigeration in, 9:33
- in hospitals, 11:33
- of vending machines (foods and beverages), 10:15
- Schistosomiasis, in Puerto Rico, control of, 9:28
- Seminar, Res., for CO's (dental), 11:26
- Sickle cell anemia, roentgen changes in, 8:8
- Silver nitrate, effects of, (dental), 10:21
- Solvents, organic, safety in use of, 2:37
- Spiders, control of, 1:31
- Spinal cord injuries, bladder in, rehabilitation of, 12:10
- SF 88, accurate completion of, 8:39
- Stomach
  - carcinoma, radiologic screening for, 2:14
  - peptic ulcer, gastric cooling in, 9:12
- Streptococcal infections, in rheumatic fever, prophylaxis in, 5:12
- Stress fractures of calcaneus, 11:7
- Stroke, rehabilitation in, 4:13
- Submarine personnel, dental standards for, 8:25
- Surgery
  - gastrointestinal tract, cancer of, 2:2
